1. A status report has been filed by the ACP EOW as per which 17 FIRs have been transferred to EOW from PS Barakhamba Road. It is further stated that two more FIRs have been registered by the EOW on the complaints received and now whatever complaints are being received and have been received are being clubbed project-wise. Though learned Additional Standing Counsel for the State has taken this Court through the three FIRs noted and that purportedly they are project-wise, however still it is not clear as to how many FIRs for each project have been registered and whether all the victims have been associated therein.

2. Grievance of the petitioner is that after charge-sheet has been filed in FIR No. 36/2010 citing 156 victims, 76 more victims have given their complaints and it is not clear whether on their complaint FIRs have been registered or they have been clubbed in the earlier FIRs.

3. Learned counsel for victim Sandeep Garg and Pradeep Garg states that in page 10 of the status report though their names are mentioned as victims at serial No. 45, however the amount is shown as ₹10,20,624/- whereas they have spent ₹28,81,000/-.

4. Learned Additional Standing Counsel for the State submits that this fact has been verified and Sandeep Garg and Pradeep Garg have invested a sum of ₹28,81,000/- out of which ₹10,20,624/- was given to the TDI and the balance amount was given to the original owner from whom he had purchased, which fact is refuted by learned counsel for Sandeep Garg and Pradeep Garg.

5. DCP EOW will file a fresh status report indicating the total FIRs registered, to which project the FIR relates and the names of the victims who have been arrayed therein before the next date of hearing. The status report will also indicate correct figures which have been revealed during investigation in this regard.

6. List on 21st August, 2019.
